

We take our cocktails seriously. And by seriously, we mean seriously fun.

We have crafted the most tantalising concoctions inspired by the eccentric recipes of the Soda Jerks and Pharmacists from London's very first Soda Fountain, which was housed on this site.

Our range of liquid indulgences can be enjoyed in the form of cocktails, rickies, or ice cream floats for pick-me-up apéritifs or finish-me-off digestifs.

THE BEAUS

In truth there is only one Beau – Beau Brummell, 'founder' of Jermyn Street and inspiration behind 45. A true icon of Regency Dandyism.

According to legend, he took five hours a day to dress and recommended that boots be polished with champagne.

Times have moved on and we now recommend polishing your Negroni off with Champagne.
